Full-Stack Developer with 2+ years of experience building scalable web applications using **Next.js, React, Node.js, and MongoDB**. Skilled in developing production-ready features, fixing bugs, and delivering responsive user interfaces.

SKILLS

- **Programming:** C++, JavaScript (ES6+)
- **Frontend:** ReactJS, React Native, Next.js, Tailwind, CSS Modules, React Query
- **Backend:** Node.js | Express.js
- **Database:** MongoDB, Firebase
- **Tools & Others:** Git, GitHub, Websockets, REST Api's

EXPERIENCE

Frontend Developer (Contract) | TRUEiGTECH - iGaming Software Development Company | April 2026 – July 2026

- Developed frontend features and fixed bugs using Next.js and Tailwind CSS.
- Worked on six brand projects, including five live applications and one new product.
- Built responsive UI, integrated APIs, and collaborated with designers and backend developers.
- Contributed significantly to the development of the latest <https://sweepstakescasino.com/> project from pre-launch to production.

Freelance Full-Stack Developer | Self-Employed | 2022 – Present

- Delivered multiple end-to-end web applications for clients, using MERN stack.
- Developed reusable and scalable frontend and backend components following modular architecture principles.

PROJECTS

AidBolt – Service & Request Platform: <https://github.com/Arsalaann/aidbolt-frontend>

- React Native app with real-time map-based services and Products discovery.
- Integrated AI-powered description enhancement and OTP authentication.
- Applied Firestore, Redis caching, and cloud storage for scalable backend architecture.

TopGamer – Browser-based Casual Games: <https://github.com/Arsalaann/top-gamer-web-app>

- Built a gaming web app using **Next.js** and **MongoDB**.
- Implemented **real-time score updates** using WebSockets.

Rentify – Hotel Rental Platform: <https://github.com/Arsalaann/rentify-web-app>

- Developed a full-stack web app using **ReactJS, ExpressJS, and MongoDB**.
- Features include **hotel listing, booking, and rental management**.

Others – <https://github.com/Arsalaann>

EDUCATION

B.Tech in Computer Science

Technocrats Institute of Technology, Bhopal – 2022

CGPA: 8.0/10
